Cheng's on Fitzroy serves unique contemporary Chinese cuisine. It was established in May 2008 by brothers Matthew and Andrew who share a passion for food and a commitment in delivering excellent customer service.

All dishes are prepared fresh to order and beautifully presented. We update our special menu every week with exciting new additions.

*"Cheng's on Fitzroy offers excellent food and service. I really enjoyed the fresh ingredients used and the fruit in my pork. The elegant traditional interior contrasted with modern furnishings is easy on the eye."*

*The Mosman Daily 19/6/08*

*"Cheng's on Fitzroy serves up modern Chinese cuisine and makes it something out of the ordinary. We started with the special Mongolian lamb mince pancake and this dish almost eclipsed our entire meal remaining one of our favourites. Andrea described the wonton as "sensational" and very delicate not oily at all. The Sichuan kung bao chicken cube, stir fried scallops with snow peas and beef with spicy black bean sauce were not your typical Chinese dishes and could most aptly be described as a "flavour explosion". Sesame prawns with orange and Cointreau sauce turned out to be my favourite of the night."*
